

Edwin Thacker and Peggy Van Wagoner have both been life-time residents of Heber City, Utah. Edd was born in Provo and lived there until his family moved to Heber when he was about six years old.

Peggy was born in Salt Lake City, and lived there until her family moved to Midway, Utah, when she was five years old. Later the family moved to Heber.

Edd was a graduate of Wasatch High School, where he participated in sports and received a Track Scholarship to Ricks. He graduated from Ricks with an Associate Degree in Chemistry. He received another Track Scholarship to Weber College and continued his studies there. He served a mission for the L.D.S. church in the Tennessee Kentucky Mission.

Peggy was a graduate from Wasatch High School. Upon graduation she attended Utah Tech. College in Provo and graduated in the Secretarial Program. She moved to Salt Lake and worked for J.C. Penney's Accounting Firm.

Edd and I were married in 1969 and after college moved back to Heber.

We are the parents of four children. Darin, who is now 13, loves school and is active in all sports. He plays the saxophone and is currently serving as counselor in the Deacons Quorum and is Senior Patrol Leader in Scouts.

Denise, who is 9, is in the fourth grade. She loves school, is very active in gymnastics, clogging and is studying the piano.

Tammy, who is 8, is in the second grade. She also loves school. She sings with the Rainbow Rythmns, takes clogging, and is a beginning guitar student.

Alison who is 6½, is in the first grade. She enjoys life to its fullest. She is very active, having participated in soccer this summer and she also takes clogging with her sisters.

We try and stay active in church, civic, and community functions as a family. We appreciate being in the Heber 9th Ward.
